

APPARELS

Knitted Fabrics | Knitted Garments | Woven Garments | Home Textile

" We aim to be one of the finest vertically integrated garment producers of Pakistan specializing in knitted, woven, and also home Textile products while providing the best possible service,value and quality to all our customers."

RR Apparels is a family owned business that specializes in manufacturing value added knitwear products used in world class promotional campaigns and also deals in corporate wears.Currently we are exporting to some of the worlds well known branded retailers. In addition,RR Apparels can also deliver quality woven garments and home textile products.In all, there is more than 35 years of working experience behind RR. Most of the production cycle of RR Apparels is carried out in-house. The manufacturing facility possesses state-of-the-art machines, skilled workforce, vast experienced technicians andstaff. All this gives a smooth flow to production, which ends up giving finest quality products in time. RR Apparels is ready to move into the new era of style and fashion adopting the current techniques. We are WRAP and CTPAT certified. We have an in-house CCTV and ERP system in place.
